Residents are encouraged to recycle. Recycling helps keep our costs of solid waste collection in check. The landfill does not currently accept glass as recyclable material and should remain in your regular trash.

Northwest Iowa Area Solid Waste Landfill brochures are available at City Hall. The brochure contains some very good information on garbage collection and recycling.

Residents are allowed two 32 gallon containers for their trash. Placing trash in recycle containers is not allowed. Your yellow containers ARE FOR RECYCLE ONLY.

Call 811 Before You Dig: To minimize the risk of damaging any underground utilities, a call must be placed to Iowa One Call by the property owner or contractor before any digging can proceed.

Ragbrai is coming through our town on July 23rd. There will be about 8,500 registered riders and as many as 10,000 unregistered. Help us welcome them to town by being a volunteer.

Many are needed due to the large amount of people. There will be about 12-16 local and out of town vendors selling food and drinks to the riders and anyone who would like to come out. They will enter town from the south and ride down West Maple Drive to Central Ave. West Maple Drive will be closed that day for local traffic. If you live on West Maple Drive please make plans for your vehicle to be parked on a side street as the bike traffic will be heavy from 8:00 am. thru 4:00 pm. Other streets closed that day will be Central Ave. from Maple Drive south to 2nd St. SE and from 1st Ave. W to 1st Ave. E on 1st Street. Please sit and watch the riders and clap or wave to them as they pass by. Please contact City Hall at 928-2240 if you would like to volunteer.

Hartley's Summer Celebration will be held Friday, August 4th through Sunday, August 6th. Many events are planned for the whole family to enjoy including the parade on Saturday, the 4th. The Summer Celebration Committee and Hartley Police Department requests no parking along the parade route.

Have a safe and enjoyable 2017 Summer Celebration.

THE SUMMER STORM SEASON IS HERE, PLEASE REMEMBER TO CALL 928-2345 FOR ANY AND ALL UTILITY EMERGENCIES.
