

I can't recall just how much you wanted to know about the meeting--but this is what we discussed. We have raffle tickets for a baby quilt/wall hanging available at both banks or from members. We will sell "Save The Chapel" pins and refrigerator maps during and before Summer Celebration. I should have those items this weekend. Jody Scroggin has agreed to have them for sale at both of her business places. I will also ask maeB and perhaps Salon West Beauty Salon. They should be available on Tuesday.

The Chapel will be open to visitors beginning at 12:30 on Saturday. We will have four presentations about the history of the Chapel and early Hartley families. Those presentations will be at 1:30 and 2:30 on Saturday afternoon.

If there is anything else you would like to know, just ask.
