

Dear Hartley Alumni:

We are pleased to invite you to Hartley to help us celebrate the All School Reunion the weekend of August 6 & 7th! As you may have read or heard the HHS Alumni Committee has decided to hold a reunion every 3 years. Basically because of the ages of our grads.

Many plans have been made by the Summer Celebration Committee to keep us busy and visit with friends. A list of all the activities, times and locations can be found on facebook under hartleysummercelebration. Any changes or updates will be posted on this page. Some of the activities are still in the planning stages so keep an eye on facebook.

Saturday is the parade starting at 10:30. Games and food stands will be at Neebel Park. The all-school reunion will be at the Hartley community Center, with social hour 5-6:30, meal at 6:00 and band playing 7:30-10:30 at the community Center. Featuring the Cruisers again with HHS grads Phil Sweeney and Mike Anderson playing.

Sunday wraps up the weekend with a Community Church service at Neebel Park and the All-School Reunion Omelet Breakfast in the new Shelter House at Neeble Park.

ATTENTION CLASSES OF THE 50'S & 60'S: There will be a coffee on Saturday morning from 8:30-11:30 at St. Paul's Lutheran Church. This will be 1/2 block from the parade route. There are bathrooms, seating, coffee and cookies available. It will give you a chance to meet up with some classmates and have a place to rest. Also the church has a lot of handicap parking spaces and will be an easy place to meet as it is on Central Ave. and close to many activities.

Also, with this effort putting this weekend together not only takes a lot of time but a pretty substantial budget. If anyone would like to donate extra funds to cover postage, entertainment and other incidentals, it would be much appreciated. The money left will be used for the next reunion.

We certainly hope you will make an effort to join us for a memorable weekend as we welcome the amazing graduates of the Hartley High School. Look us up on facebook at Hartley, allschoolreunion, so that you can visit with classmates and send us messages as need be.
